

QUESTIONNAIRE FOR EACH OF YOUR THREE REFERENCES

Hello, I have applied to adopt a little dog from Lone Star Shih Tzu and Lhasa Apso Rescue of Texas. Part of their approval process is to get to know us as potential adopters by engaging in a dialog with friends and family. I'm hoping you can explain to the rescue group how a new dog might be treated within our family. If you don't mind, please complete the following questions in as much detail as possible. I know that this will turn out to be a very lengthy document but the rescue believes it very necessary to understand the people to whom they are adopting. They want all adopters to be part of **their doggie** family. I apologize for taking up so much of your time, but they believe this to be critical to find just the right dog for each and every applicant. They will not adopt out a dog without this information.

So if you could just complete this information and either fax it to 281-754-4851, or mail it to LSSTLAR, P.O. Box 1346, Pinehurst, TX 77362-1346 we would certainly appreciate it.

Better yet, if you have access to the internet you may go to:
<http://www.shihtzu-rescue.com/references.html> and follow the instructions to fill out this form online. That will speed things up for both of us! Thank you for helping me out!
